- Please read this document carefully. Climbing indoor or outdoor, Ninja training and Aerials are sports with obvious risks as defined by the Civil Liability Amendment (Personal Responsibility) Act. In signing this document, you are agreeing to participate in any activity at MiRC “ At your own risk “
- This document serves as a record that you have read and understand this and have with full knowledge of the risks, accepted the risk and chosen to participate of your own accord.

Participant Acceptance of Risk

<p>Risk</p> <p>I understand that all activities at Mandurah indoor climbing centre involve risks that may cause various injuries and that such injuries may be serious. I also understand that Indoor Top rope climbing, Bouldering, Ninja training, Aerial training and outdoor climbing are each physically demanding and in susceptible people may cause panic, hyperventilation and/or heart attack.</p>
<p>Safety Induction</p> <p>I have been advised (or am aware I will be advised) of the risks and safe climbing and training methods. I will not climb or take part in any activity unless I have understood them clearly and asked questions and received answers that have clarified anything I was uncertain of. I am aware that if there is something I forget or become unsure about after my safety induction that I can ask a MIRC staff member</p>
<p>Future Acceptance</p> <p>I am aware that this acceptance is ongoing and will apply to all future occasions I participate in any activity at Mandurah Indoor Rock Climbing Centre. I furthermore acknowledge that this document is contractual and may be relied upon in proceedings by me, my heirs, executors and assigns.</p>
<p>Rules</p> <p>I have been provided the MIRC climbing rules and have read and agree to their terms. I understand that not following these rules can and will increase the risks to myself and others.</p>
<p>Participant's health</p> <p>The Participant warrants that he or she has no medical condition that will affect his or her ability to perform any activity and if unclear will notify MIRC Staff prior to commencing.</p>
<p>Where Climber under 18</p> <p>The Participant's parent/guardian acknowledges and agrees that the sport of rock climbing, ninja and aerial training and the use of the facilities owned and maintained by MIRC has inherent risks of injury. The Participant's parent/guardian realises that the Participant may suffer injury from any of these activities, and that the highest safety standards and equipment cannot remove all of the dangers to the Participant.</p>
<p>Publicity</p> <p>I give permission for any form of publicity, photographs or videos that has been taken in Mandurah Indoor Rock Climbing Centre to be used by the gym for publicity use only.</p>

I, as the authorised participant, Parent or Guardian, have read understood and agree to, all items in this document. I with full understanding of the risks have chosen to continue to participate and/or allowed the abovementioned minors to participate in climbing at Mandurah Indoor Rock Climbing Centre.
